

From Service to Students: A Calling to Continue Your Service

Our specialized program helps you navigate the path from military to education careers:

- **100% covered costs** for tuitions, books, and fees
- **Free computer** provided to each participant
- **Streamline pathway** to teacher certification through Alternative Licensure
- **Job placement assistance** in partner school districts
- **Ongoing mentorship** from fellow military-connected teachers
- Personalized advising
- Team model – train with others on a similar journey

Why Military Personnel make Exceptional Teachers

Strong Leadership: inspire students with discipline, structure, and purpose.

Adaptable and Inclusive: skilled at supporting diverse learners with empathy and flexibility

Global Perspective: bring real-world experiences and cultural awareness to the classroom

Problem Solvers: trained to think critically and respond to challenges effectively.

Teach-ready and Service Driven: fluent in modern tools and committed to making a lasting impact.
