

Nurse Anesthesia Program Application Checklist

The University
of Akron

Use this guide to ensure your application is complete before submission.

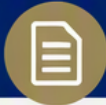

Academic Requirements

- ☐ Graduation from an accredited baccalaureate nursing program.
- ☐ Minimum of a 3.4 GPA on a 4.0 scale for all nursing degrees.
- ☐ Minimum of a 3.0 GPA in the first attempt at 3 hours of chemistry, 6 hours of anatomy and physiology, and 3 hours of microbiology.
- ☐ Completion of a graduate-level statistics course prior to enrollment in the Nurse Anesthesia Program.

Professional Requirements

- ☐ Current, unencumbered or eligible for RN licensure in the State of Ohio.
- ☐ CCRN Certification with Score Report.
- ☐ At least 1 year of current critical care experience at the time of application.
- ☐ Current ACLS certification.

Application Materials

- ☐ Observe a CRNA (minimum of eight hours) documented on required Observation Form.
- ☐ A resume following the Nurse Anesthesia Resume Template.
- ☐ 3 References including a current nursing supervisor and previous nursing instructor (only if graduated in the last five years).

In addition to meeting the above requirements, the following materials are required:

- ☐ A 300-word position paper.
- ☐ Complete the online application:

What Happens Next?

1

Application Review

The admissions committee will review all completed applications after the application deadline.

2

Interview Invitation

Your application will either be accepted by the School of Nursing and you will be offered an interview for the Nurse Anesthesia Program, or your application will be denied.

3

Interview Day

Applicants selected for an interview will be invited to complete an on-campus interview with Nurse Anesthesia Program faculty during the fall semester.

4

Final Admissions Decisions

Final admissions decisions will be communicated following completion of the interview process.
